		Yes (add \$20) or NO
		Yes (add \$20) or NO
		Yes (add \$20) or NO

**All redneck style rings must have two "grooves" to allow us to mask off so that we only print in the center of the ring only.
All non-inset diamonds need to be removed by a jeweler before coating, we do not coat prongs. Engraved rings will be masked off on the inside, but some paint or clear coat will wrap and will polish out with wear.*
